WORK EXPERIENCE

Quality Assurance Intern (250 hours) Jul 2025 - Oct 2025
Efficientrix IT Solutions (Tipolo, Mandaue City, Cebu • Onsite)

- Collaborated with a team of developers to test features for a beauty contest voting system
- Assist in reporting bugs, and providing UI/UX feedback.

Part-time Full Stack Web Developer Sep 2024 - Jun 2025
My Dream Visa LLC (Tampa, Florida, United States • Remote)

- Implemented route-based access control and locking logic to prevent unauthorized page access and improve application security.
- Resolved user registration data persistence issues to store eligibility quiz responses.
- Developed a paywall system to restrict premium application features based on user subscription.
- Implemented 503 service unavailable handling logic for server maintenance and updates
- Refined UI inconsistencies between USCIS, Form I-751, and Form I-129F immigration services

Full Stack Web Development Intern (500 hours) Jun 2024 - Aug 2024
My Dream Visa LLC (Tampa, Florida, United States • Remote)

- Improved UI consistency and usability across multiple immigration application services by refining shared components using Vue.Js
- Built a live chat and customer support interface using Tawk.to to improve communication between users and support staff
- Implemented dynamic, auto-filling input fields to enhance the user experience
- Refactored frontend code to improve readability and code maintainability

EDUCATION

Bachelor of Science in Computer Science 2022 - 2026
Asian College of Technology, Pantaleon del Rosario St, Cebu City, 6000 Cebu
